

EXPERIENCE

Falconry

Allow yourself to be moved by the fascinating world of birds of prey and watch, in an environment respectful of animals, the flight of eagles, falcons, owls, vultures, storks and ibis. By way of flight demonstrations, the Locarno Falconry offers visitors of all ages a moment of recreation and training, of fun and learning about the biology and ecology of this incredible animal world. Before the show take the time to walk in the park and observe these predators in their aviaries. Covered bleachers guarantee the show even on a rainy day.

WAT ER

Lido Locarno

In an amazing setting on the lakeshore, the Lido of Locarno offers an extraordinary oasis for leisure, sport and wellness where youth and adults find a wide array of options developed around the same theme: water. A modern beach resort, with indoor and outdoor pools, an outdoor thermal pool with whirlpools, a springboard, a vast green area with a lacustrine beach and four spectacular water slides for over 300 meters of fun. Accessible year-round, they are inspired by the four rivers (Verzasca, Maggia, Melezza, Isorno) that flow into Lake Maggiore. Completing the offer is an modern fitness center.

MUSEUMS

Museum of Fossils Monte San Giorgio

Discover the charm of a lost world of over 200 million years ago. The Museum of fossils of Monte San Giorgio presents the important paleontological heritage of the region, wich ist considered one of the most important fossil deposits in the world and registered as a UNESCO World Heritage Site. The fossils of San Giorgio are famous for their variety and their exceptional state of preservation. The exhibit is meant for a vast public and thanks to multimedia technologies, it allows even non-experts to immerse themselves into the complex world of the Triassic.
